Dear Neil

I would just like to take this opportunity to thank you for your help over the last couple of years. On numerous occasions I have rung you to ask for employment advice to guide me on the, often risky, usually complicated, road as an employer of 14 members of staff. You have never let me down!

"His knowledge of employment law is impeccable" that came from a company called "Trainsafe" who we employ as an outside contractor for our Health and Safety Issues and which often crosses over into your area of expertise.

Not only are you good at your job, but your helpful and sunny disposition makes it a pleasure to deal with you, even whilst telling me that if we get it wrong then it could cost as much as £100,000 in a compensation claim.

I have no hesitation in recommending you to anyone who has employment issues and will continue to do so.

Best Wishes

Andrew Toothill
